

Camp Sponsorship

Our mission is to provide youth with the opportunity to expand their equine knowledge, enhance their horsemanship skills and make new friends. To accomplish our mission, the E.I.H.P.C will host an annual, week long, Horse & Pony Camp for youth. To keep the cost minimal to our families that send their children as campers, we rely heavily on volunteers as well as donations and monetary sponsorships. We are asking you to partner with us for our annual event that will become a tradition for not only today's youth but also those in the future! We are building tomorrow's horse enthusiasts plus our future leaders.
